Petitioner,

v.

SECRETARY OF HEALTH AND  
HUMAN SERVICES,

Respondent.

Special Processing Unit (SPU);  
Attorneys' Fees and Costs

*Amy A. Senerth, Muller Brazil, LLP, Dresher, PA, for petitioner.  
Douglas Ross, U.S. Department of Justice, Washington, DC, for respondent.*

## DECISION ON ATTORNEYS' FEES AND COSTS<sup>1</sup>

**Dorsey**, Chief Special Master:

On February 2, 2017, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,<sup>2</sup> (the "Vaccine Act"). Petitioner alleges that she suffered a left shoulder injury as a result of her October 6, 2015 influenza ("flu") vaccination. Petition at 1. On December 13, 2017, the undersigned issued a decision awarding compensation to petitioner based on the respondent's proffer. (ECF No. 30.)

On January 22, 2018, petitioner filed a motion for attorneys' fees and costs. (ECF No. 34.) Petitioner requests attorneys' fees in the amount of \$15,520.00 and

<sup>1</sup> Because this unpublished decision contains a reasoned explanation for the action in this case, the undersigned intends to post it on the United States Court of Federal Claims' website, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access.

<sup>2</sup> National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all "\$" references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

attorneys' costs in the amount of \$631.32<sup>3</sup>. (*Id.* at ¶ 5.) In accordance with General Order #9, petitioner's counsel represents that petitioner incurred no out-of-pocket expenses . (*Id.* at ¶ 5.) Thus, the total amount requested is \$16,151.32.

On January 23, 2018, respondent filed a response to petitioner's motion. (ECF No. 35.) Respondent argues that “[n]either the Vaccine Act nor Vaccine Rule 13 contemplates any role for respondent in the resolution of a request by a petitioner for an award of attorneys' fees and costs.” (*Id.* at 1.) Respondent adds, however, that he “is satisfied the statutory requirements for an award of attorneys' fees and costs are met in this case.” (*Id.* at 2.) Respondent “respectfully recommends that the Chief Special Master exercise her discretion and determine a reasonable award for attorneys' fees and costs.” (*Id.* at 3.)

Petitioner has filed no reply.

The undersigned has reviewed the billing records submitted with petitioner's request. In the undersigned's experience, the request appears reasonable, and the undersigned finds no cause to reduce the requested hours or rates with the exception of one entry from paralegal Michelle Coles. Ms. Coles is listed in the affidavit as a paralegal, billing at the hourly rate of \$125.00 for total of 1.6 hours. However as Ms. Coles' entry on December 12, 2017 is a paralegal task billed at the attorney rate of \$225.00. Therefore the undersigned will adjust her rate for that entry to \$125.00, a reducing the request for fees by \$20.00.

The Vaccine Act permits an award of reasonable attorneys' fees and costs. § 15(e). Based on the reasonableness of petitioner's request, the undersigned **GRANTS** petitioner's motion for attorneys' fees and costs.

**Accordingly, the undersigned awards the total of \$16,131.32<sup>4</sup> as a lump sum in the form of a check jointly payable to petitioner and petitioner's counsel Amy A. Senereth.**

The clerk of the court shall enter judgment in accordance herewith.<sup>5</sup>

---

<sup>3</sup> Petitioner's counsel states at ¶ 4 of the application for attorneys' fees that expenses total \$412.75. This appears to be a typographical error, however, because at ¶ 5 and page 9 expenses are listed at \$632.32. (ECF No. 34 at 2.) Expenses of \$632.32 is also supported on the list of expenses filed and the accompanying invoices. (ECF No. 34 at 9-14.)

<sup>4</sup> This amount is intended to cover all legal expenses incurred in this matter. This award encompasses all charges by the attorney against a client, “advanced costs” as well as fees for legal services rendered. Furthermore, § 15(e)(3) prevents an attorney from charging or collecting fees (including costs) that would be in addition to the amount awarded herein. See generally *Beck v. Sec'y of Health & Human Servs.*, 924 F.2d 1029 (Fed. Cir.1991).

<sup>5</sup> Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by the parties' joint filing of notice renouncing the right to seek review.

**IT IS SO ORDERED.**
